

# Department 17 - Baked Goods & Candy

**Entry Dates:** August 30 (9am - 3pm) & August 31 (9am - Noon)

**Any Baked Goods or Candy received before or after above dates and times WILL NOT BE JUDGED.**

**NEW for 2020:** Two changes, **1.)** The first is a change in how we will handle entries of cakes. Cakes will be received and photographed at time of entry. You will then be asked to cut the cake in half. Please be prepared to take one half of the cake home with you. This will allow the judges to see the creativity you have put into your effort, minimizing waste and keeping the exhibit hall sanitary. **2.)** The second change is that photographs will be taken of the winning entries, in each of the categories, and will be on display in place of the actual product. Again this will allow us to keep the exhibit hall sanitary for the general public.

**GENERAL RULES:** Baked goods entered into the fair become the property of the Fair. Please bring items in disposable containers. Only one entry per lot, such as one Banana Bread and one set of Biscuits, etc. Cakes or pies shall be the whole cake or pie and pies must have a homemade crust. No packaged puddings or pie fillings may be used. You **MUST** include your recipe. Please indicate on your recipe if you **DO NOT** want your recipe to appear in the Sevier County Fair Publication.
