

# DON'T CARE ABOUT RIDING THE RIDES?

*New this year – No rides operating on Tuesday, August 30th!*

In order to offer our fairgoers more rides, there will be NO rides operating on Opening Day. This is to allow our carnival an extra day to get those rides to us. Admission Tickets will still be the same price. We know there are many who never ride when attending our fair and we encourage all to come enjoy this day.

We have special things planned just for you this day!
